1. INTRODUCTION

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018, and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the School Patron, CEIST, on 5 September 2025. It is published on the school's website and will be made available in hardcopy on request to any person who requests it.

The relevant dates and timelines for Eureka Secondary School's admission process are set out in the school's annual admission notice which is published on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. CHARACTERISTIC SPIRIT AND GENERAL OBJECTIVES OF THE SCHOOL

Eureka Secondary School is a Catholic all girls voluntary secondary school with a Catholic ethos under the trusteeship of CEIST (Catholic Education in Irish School's Trust). The school was first established in the Mercy Convent in 1924, moved to Eureka House in April 1956 and to the new Eureka school on the Cavan Road in June 2019.

In accordance with S.15 (2) (b) of the Education Act, 1998, the Board of Management of Eureka Secondary School shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school. 'Catholic Ethos' in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church which aims to promote:

- the full and harmonious development of all aspects of the person, including the intellectual, physical, cultural, moral, and spiritual aspects; and
- a living relationship with God and with other people; and
- a philosophy of life inspired by belief in God and in the life, death, and resurrection of Jesus; and
- the formation of the pupils in the Catholic faith in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

Eureka Secondary School draws on the richness of the religious and cultural heritage of the past, interpreted and lived out for students living in today's world. The charism of our founder Catherine McCauley who began this school is of very significant importance in the life of the school.

As a CEIST school, Eureka Secondary School values teaching as one of the most important of all human activities. Our school seeks to build a quality learning community that welcomes, and bears witness to the Gospel values of Jesus Christ, expressed through the lens of the CEIST Charter. These are encapsulated in the core values which are intended to support and nourish the lives of the people who are at the heart of our schools.

- **Promoting Spiritual and Human Development**
- **Achieving Quality in Teaching and Learning**
- **Showing Respect for Every Person**
- **Creating Community**
- **Being Just and Responsible**

EUREKA SECONDARY SCHOOL is inspired by the words of Jesus Christ to his disciples, *'I have come that they may have life and have it to the full' (*Jn 10:10). Reflective of this, Eureka Secondary School provides a rich, holistic education in the Catholic tradition where engagement with and development of the whole person; the intellectual, moral, religious, physical, spiritual, and psychological are at the core of our practice.

Education has as its goal the formation of a human person who is free, rational, and mature in relationships. Eureka Secondary School offers educational opportunities which promote excellence so that students can respond responsibly and creatively to their own lives, the lives of others and to the earth, which is our common home.

In Eureka Secondary School the dignity and uniqueness of every human being as a child of God is acknowledged and affirmed. The Catholic school is an inclusive community, ideally built on love and formed by the interaction and collaboration of its various components: students, parents, teachers, non-teaching staff, and members of the Board of Management. Catholic schools are also outward looking. They are connected to their local parish and Diocese and other local organisations which enrich the life of the school. Our school draws on the rich resources of the local community and, in turn, contributes to the life of the local community.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports the formation in faith of our students through many school-based experiences of prayer and ritual. All students' spiritual growth is further enhanced through such areas as sport, language, nature, art, poetry and music.

MISSION STATEMENT

- Eureka Secondary School aims to provide the highest quality education possible to meet the needs of all students within the limits of available resources and within an environment and ethos that promotes Christian values, mutual respect and responsible citizenship.
- The school aims to offer opportunities equally to all its students, whatever their ability, circumstances, or religious experiences to develop each person's potential to the full. Programmes are provided to facilitate students whose goal is further education; those who wish to enter the world of work; and those who wish to return to full time study.

- The school is committed to maintaining a supportive partnership with parents who are the primary educators of their children; with employers, schools, the local community, and the parishes from where students come.
- The staff, the schools most valued resource, are supported and encouraged in their work, and we aim to promote their individual and corporate development through supportive structures and in-service training, both international and external.
- The school is committed to developing a community where mutual respect reigns, where personal standards of work and behaviour are high, and where students grow to recognise fully their responsibilities both to themselves and to others. Our hope is that when they leave school, they may be better able to take their place in society as mature and responsible citizens imbued with the Christian values, which are the inspirations for this school.
