Eureka Secondary School App

The School's Official Platform

The App is the school's official platform. It is private and secure. Only current parents/guardians, students and teachers have access.

Parents/guardians and students know with certainty that all school published information is available in the one place – the School App.

The features and functions include:

Communications

Parent Reminder Dashboard

Digital Forms

School Information

My Student

Link to Website

Link to VSware

Communications

Parents/guardians will only receive alerted Notifications which are relevant to them.

Notifications

Notifications are used for publishing information on the day-to-day administration of school.

News

The News feed is used for the general PR type of news.

Personal Notifications

Private Message to a group or individual parent/guardian. This will only be visible to that user. The system includes a “read” flag when the notification is opened and read by the user.

Also available are:

Gallery

Calendar

Digital Forms

Any form which a parent needs to approve or acknowledge will be published in the App. Parents will only see forms that relate to them. A full history of forms submitted is in the App.

For example:

Consent Forms

Permission to go on a trip or attend an event.

Terms of Use Agreements

Parents/Guardians/Students agreeing to terms of use of computer equipment.

Acceptance of School's Rules

Parents/Guardians/Students agreeing to be bound by school rules and code of conduct.

Security – PIN

The App includes an optional 4-digit PIN security on all forms and payments. Parents/guardians can turn this on in their profile.

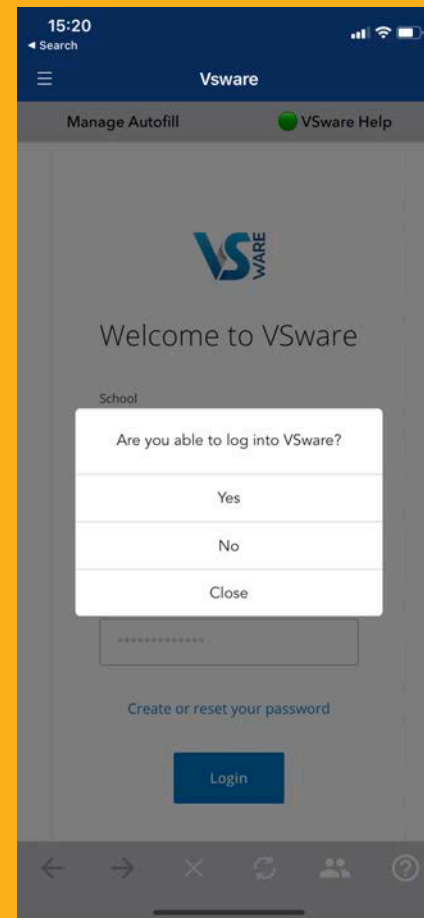

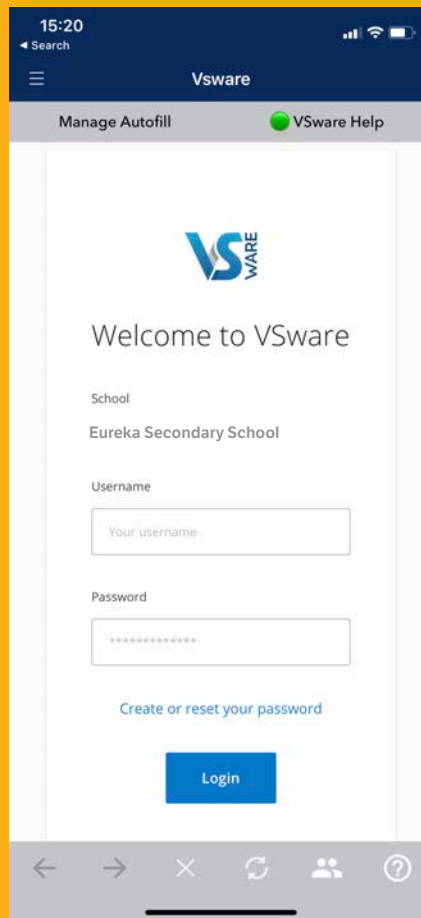

The screenshot shows a mobile app interface for a 'Consent form'. At the top, the status bar shows 'Eir' network, signal strength, time '10:16', and battery level '77%'. The app header is dark blue with a back arrow and the title 'Consent form'. The main content area is white and contains the following sections:

My Student

Consent to use student's image

Parents/guardians can grant and/or revoke consent for the school to include their student's image in photos/videos across the school's communications platforms.

The smartphone screen displays the 'My Student' app interface. At the top, there is a dark blue header with a hamburger menu icon and the text 'My Student'. Below the header, the section is titled 'Picture Permission'. The text explains that the school maintains a database of photographs from school events and that it is customary to take photos/videos of students. It mentions that photos/videos of students and their names may be published on the school website, app, social media, or in brochures, yearbooks, newsletters, and newspapers. A paragraph follows stating that consent is requested from each parent and that parents can request removal of their child's photo from the school website, brochure, yearbooks, newsletters, etc. at any time by providing a written request to the school principal or by revoking permission in the app. At the bottom, there is a 'Confirmation:' section with two radio buttons: 'I consent' (which is selected) and 'I do not consent'.

Medical Form

Parents/guardians supply and easily update their student's medical information and emergency contact details through the App.

The smartphone screen displays the 'Medical Form' app interface. At the top, there is a dark blue header with a back arrow icon and the text 'Medical Form'. Below the header, there is a paragraph of text stating that the following information must be supplied to the school to ensure the highest level of care for the student. Below this text, the name 'Matt Toms' is displayed. The section is titled 'Emergency Contact 1'. Below this title, there are two input fields: 'Contact Name' with the value 'Marian' and 'Contact Mobile Number' with the value '+353851231234'. Below this section, there is another section titled 'Emergency Contact 2'. Below this title, there are two input fields: 'Contact Name' with the value 'Jennie' and 'Contact Mobile Number' with the value '+353851234567'. Below this section, there is a section titled 'Family Doctor'. Below this title, there are two input fields: 'Name' and 'Address'.

The smartphone screen displays the 'Medical Form' app interface. At the top, there is a dark blue header with a back arrow icon and the text 'Medical Form'. Below the header, there is a section titled 'Medical Insurance/ Medical Card No'. Below this title, there are three input fields: 'Medical Insurer', 'Medical Insurance No.', and 'Medical Card No.'. Below this section, there is a section titled 'Current and Past Medical Info'. Below this title, there is a list of checkboxes for various medical conditions: 'Disability Information' (with a sub-option 'No Disability'), 'Problems with ASD/Asperger's', 'Problems with Communication', 'Problems with Consciousness', 'Problems with Palliative Care needs', 'Problems with Eating and Drinking', 'Problems with hand function', 'Problems with hearing', and 'Problems with incontinence'.
