Post-primary Eligible/ Concessionary pupil	€75
Maximum annual charge for families	€125

3. Eligibility Criteria:

The eligibility criteria for School Transport for the 2023/24 school year is as follows:

- Children are eligible for transport at the primary level where they reside not less than 3.2 kilometres from and are attending their nearest national school, and at a post-primary level where they reside not less than 4.8 kilometres from and are attending their nearest post-primary school/education centre as determined by the department/Bus Éireann, having regard to ethos and language.
- Children who are eligible for school transport and who have completed the application and payment process on time will be accommodated on school transport services where such services are in operation.
- Children who are not eligible for school transport, but who complete the application and payment process on time, will be considered for spare seats that may exist after eligible children have been facilitated; such seats are referred to as concessionary seats.
- Because of the nature of concessionary transport for non-eligible children and the priority of providing places for eligible children, there may be an excess of demand over supply for concessionary places, in these cases Bus Éireann will allocate tickets for spare seats using an agreed selection process.

- In addition, temporary alleviation measures will continue for the 2023/24 school year, pending completion of the school transport scheme review. This means that transport will be provided where such services are in operation for post-primary pupils who are eligible for transport to their nearest school and are attending their second nearest school and who apply and pay on time.

4. Pupils from Ukraine:

Pupils from Ukraine who require school transport should **not** apply on the Bus Éireann family portal but should visit gov.ie/ukraine for details on how to apply. Please note that any pupils from Ukraine who are currently on school transport do not need to re-apply for the 2023/24 school year unless they have changed their address or school.
