

## Eureka Secondary School Summer Newsletter 2011

### Green Schools

The Green schools Committee have had a very successful year, the highlight of which was a Green Schools trip in March to the Belgian capital Brussels and the nearby picturesque town of Bruges. The two day trip, sponsored by Mairead McGuinness M.E.P. and involving 20 students and 5 teachers (pictured below) included lunch in the European Parliament and walking tours of both cities. Other attractions included the Atomium and "Mini-Europe". The committee would like to extend their thanks to Mairead McGuinness and all who made this tour possible.

In addition to the above, the school has recently been awarded its second Green Flag for energy. The award ceremony took place in Croke Park at the end of May. Thanks to all staff and students who helped!

### TY Legal Studies - PAL Competition

PAL stands for Public Access to Law, a programme which gives T.Y. students an insight into law, as seen through the eyes of a practising barrister or solicitor.

This year Eureka entered the PAL Mock Trial Competition for the first time. On Saturday 9<sup>th</sup> April 2011 the team travelled to the first round of the competition which was held in the Courts of Criminal Justice in Dublin. The team:

Barristers: Aoife Cosgrove & Sophie Tevlin; Solicitor: Claire McGinty; Witnesses: Ruth O'Reilly, Niamh Flattery, Hannah Maher & Judith Burke; Court Official: Nicole Lam; The Jury: Katie Meegan (also 'TV reporter'), Aileen Flood (also 'legal

reporter'), Lisa Conroy (also 'photographer'), Niamh Lindsay ('court artist'), Rachel Tobin, Deirdre Lynch & Aine Bennett.

The team won all three of their mock trials on that day. The organiser of the competition, Mr. Vincent Martin praised the extremely high standard of performance of the top teams before announcing that Eureka got the highest points in the country! The teams with the four highest points went through to the next stage- the Semi-Finals of the competition.

Eureka's team travelled back to the Courts of Criminal Justice on 7<sup>th</sup> May 2011. Eureka was drawn to compete in their Semi-Final against Our Ladies College, Greenhills, Drogheda. Our Ladies College has an honourable record in the competition. In 2009 it was the winner of the National Mock Trial competition and that team went on to win the International competition in New York! Despite the stiff competition, the Eureka team put up a stunning performance to win their way to the Final. Here they met with Alexandra College, Milltown, Dublin. Mr. Justice Peter Kelly, Judge Mary Collins and Judge Terence O'Sullivan sat on the bench to determine who would be the winners of the 2011 National Mock Trial.

All of the witnesses gave Oscar winning performances and the barristers were simply superb. To a hushed Court, Mr. Justice Peter Kelly announced that Eureka had arrived into the competition 'like a comet!' and declared Eureka the champions of 2011. To crown it all, Aoife Cosgrove and Ruth O'Reilly were awarded the Harry Hill Cup as the joint winners of the top prize for 'Best Performance'. Katie Meegan was presented with a silver medal for her magnificent performance doing a live broadcast for the 'T.V Presenter' Competition. Congrats to the team and a huge thanks to the team's coach and Legal Studies teacher Ms. Dolan for her time, energy, expertise and commitment in preparing the girls for battle during the past few months! Thanks also to Martin & Pauline Cosgrove for their considerable help and advice to the team at all stages of the competition.

The team needs sponsorship to fund the cost of travelling to New York to represent Ireland in the International Mock Trial Competition. This is a very talented team that stands a good chance of winning in New York and bringing glory to your school. If you can think of any way to help raise funds for the trip, please contact Martin Cosgrove. He will be delighted to hear any suggestions. Watch this space!

## TY Musical - "Little Miss T"

This year's musical, "Little Miss T" was performed in the school gym from Tuesday 3rd to Friday 6th May. Produced by Mrs. Yore, Musical Direction - Ms. Lyne, Art, Set / Stage Design by Ms. Weir, assisted by her TY art team, 80 Transition Year pupils staged this hilarious comedy. Loosely based on the old children's fairytale "Thumbellina", "Little Miss T" offered a 21st century take on the original tale, aided in no small part by Mrs. Yore's re-writing of large tracts of the script, providing the audience with a sharp, witty, contemporary humour, evidenced by the appearance of none other than "Jedward" (played by Emile Sheridan and Aine Bennett) and X-Factor judges Cheryl Cole (Charlotte Farrelly), Dannii Minogue (Jackie Kavanagh), Louis Walsh (Sarah Tobin) and Simon Cowell (Sophie Tevlin).

The story centres around Thumbellina (Andrea Geraghty), a tiny girl, no bigger than the size of a thumb, who be-

moans her limited life and yearns for the love of a boy. Along comes the equally miniature Fairy Prince (Hannah Maher) with his two sidekicks, John and Edward (Emile Sheridan & Aine Bennett)! Thumbellina and the Prince, following an initially hostile meeting, very soon fall in love and Thumbellina is soon thinking marriage!! However, the path of true love is certainly not smooth, thanks to a family of show business toads who happen to hear Thumbellina's beautiful singing and decide to kidnap her to join their singing group. Tommy Toad (Ruth O'Reilly) instantly wants to marry her, declaring "I luurrrrve herrrr!". His mother Mrs. Toad (Judith Burke) agrees, as it would keep all the profits within the family! The toads must compete with other scheming suitors along the way, including the sly Beetle (Katie Meegan) and the menacing rapper Mr. Mole (Sadhbh O'Toole). Thumbellina's great friend, a bird named Jacquimo (Aoife Cosgrove) provides a shoulder on which to cry and offers to become Thumbellina's Royal Wedding planner! During this time, the Prince is frantic with worry, using all his royal powers to find the missing Thumbellina, who meanwhile has become "engaged" to Mr. Mole, thanks to the meddling of match-maker Mrs. Mouse (Chloe Smith), bearing more than a slight resemblance to Mrs. Doyle, of Father Ted fame! Thumbellina hears that the Prince has been found dead and resigns herself to a loveless, lonely life. However, ultimately, true love reigns as the Prince is found alive and well, is reunited with Thumbellina, their love story culminating in the Royal Wedding (pictured above!)

Accompanied by a live rock band, songs included Bon Jovi's "Livin' on a Prayer", Katy Perry's "Firework", Adele's "Make You Feel My Love". The able cast were supported musically by a backing choir of 24 singers from 5th yr and L.Cert.

Innovative, clever, lively dances were choreographed especially for the show by Transition Year pupils: Katie Duffy, Sheree Coldrick, Kasey Sheridan, Aisling Govern, Katie Carry, Eimear Duffy & Andrea Geraghty.

Ms. Weir and her TY art group used vivid colours, to create yet again wonderful sets depicting the "Vale of the Fairies"! Normal sized objects were depicted as giant to the occupants of the fairy world! A highlight of this year's set was a "giant" fairytale open book, used in the opening scene during the narrator's "Once upon a Time" and a 'giant' Coca Cola can.

We would like to thank all who supported this show in any way, to those who loaned props, and to members of Eureka staff who helped in so many ways during the staging of this production.

**Traditional Music Concert** - As part of Seachtain na Gaeilge, a group of 3rd yr and TY pupils gave a recital of traditional Irish music for pupils in Kells Girls' Primary School. Playing a variety of Irish dances and other tunes, the instruments included flutes, fiddle, tin whistles, concertina, harps and a Sean Nós singer!

### First Year Concert

Originally entitled "Christmas Concert" this was initially scheduled to take place in early December. Inclement weather forced a re-scheduling to later in December, but yet again, the weather and roads were deemed too dangerous to expect pupils and parents to travel unnecessarily. At last, in early March, the concert went ahead, with the originally planned Christmas music having to be replaced with less seasonal numbers! The main purpose of the concert was to showcase the various talents of 1st year pupils while simultaneously providing a platform upon which pupils would gain confidence, affirmation and maybe somewhere along the line . . . . . fame!

The five 1st yr classes of Ms. Corcoran and Ms. Lyne presented a selection of solo vocal, choral, solo and group instrumental music ranging from pop to classical to trad and folk. Each class group performed a different piece of music on recorder, including the Theme from Eastenders and the theme song from the film Titanic. Choral music included a medley of songs from GLEE and an ABBA medley. Several brave solo singers and solo instrumentalists from each class took to the stage for, in some cases, their debut in public performance! The pupils' performances were confident, assured and very entertaining!

Congrats to all involved and a special thank you to our resident "sound engineer" on the night, Ms. Cronin, who is always on hand to set up and monitor sound and amplification at so many school events and to Ms. Moran for her witty compering on the night!

### **Girls in Action—Dance Fest**

Well done to all girls who took part in Girls in Action this year. The activities on offer were kick boxing, pilates and hip-hop dancing. 30 pupils from 1st to 5th yr attended, along with 6 other schools, a Dance Fest in Simonstown, Navan. They participated in Rumba dancing, a terrific fitness and fun class and a new experience for the girls. The club will re-commence in September. All students from all years are welcome to attend.

### **Girls in Golf**

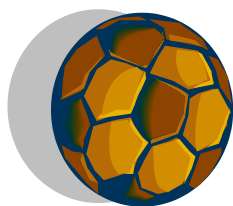

28 x 1st yrs are currently taking part in 10 golf lessons at Headfort Golf Club. These lessons will continue throughout the summer, culminating in a Golf Gala day on July 8th, where pupils will compete against schools from Cavan & Monaghan. On successful completion of the programme, the girls will be offered membership of Headfort Golf Club. Well done to all involved!

### **Senior Gaelic Football**

Congratulations to the Senior Gaelic Football team on reaching the Leinster 'B' final, where they ran out narrow runners-up to a very strong side in Colaiste Iosagain, Stillorgan.

The girls had a great start to the year with a convincing win over Loreto Navan in the opening round. They then travelled to Balbriggan where Loreto put up a tough challenge but the Eureka girls won through by seven points. Winning this game secured home advantage, which proved important in a tightly fought quarter final with Knocklyon. A convincing semi final victory over Ballymahon saw the team reach the Leinster final. The girls battled bravely on a windy day in Kilbride GAA grounds, with some fantastic scores taken by both sides, but unfortunately it was not to be Eureka's day.

The girls should be praised for the effort they've put in throughout the year, and I'd like to wish our 6<sup>th</sup> years the best of luck in their future sporting career.

## Library News

The new year saw a continuation of our fortnightly Book Club meetings, where a group of pupils from all years meet over lunch in the library to discuss books currently being read. These are always very lively affairs, under the gentle direction of Chairperson Sophie Tevlin. Mrs. Carolan (library co-ordinator) would like to thank Sophie and her team for their dedication, inspiration, enthusiasm and commitment displayed throughout the year.

To celebrate Multi-Cultural Week, three students gave a presentation on various aspects of their native lands, to a packed library. February & March saw the continuation of our annual career talks. The library hosted visits from Ms. Orla Farrelly, a veterinary nurse with Smith & Foley, Kells, and from Ms. Carol Carolan, an I.T. manager with Arc Royal, Kells. These talks gave students valuable insight into the day to day work practices of both of these careers. Thanks to both visitors for coming to the school and for their patience in fielding questions from the audience and meeting privately with interested pupils afterwards. If any parents out there are interested in giving similar presentations on the routine day to day work of their job / career, the school library would be very interested in hearing from you!

The school library also hosted two very interesting history project displays by Transition Years - "The Family Tree" and "The Holocaust". Thanks to Ms. McKenna for putting the library facilities to such good use.

On May 19th, the library hosted the end of year party for library monitors and regular attenders of the Book Club meetings. A big thanks to all monitors: Naoimh Keogh (Head Monitor), Caoimhe Byrne, Hannah Maher, Sinead Garry and Sophie Tevlin. **Mexican Cookery**—On Monday the 16th May, Hugo and Alberto from Azteca, a Mexican restaurant in Dublin came to Eureka to show students how to cook Mexican style. Throughout the day, Hugo showed students from TY, second year and third year how to make Pico de Gallo which we used to make guacamole. He explained how Mexicans used peppers and brought a selection of 8 different peppers to sample. Later the students (and Mr Hurley) pictured below, were shown how to make tortillas from scratch which was great fun and finally we brought all our food together for a feast! Many thanks to Hugo and Alberto for coming along and to the Home Economics Department for the use of the kitchen.

## Transition Year Tour to Italy

TY pupils have just returned from a five-day trip to the North of Italy. Led by Ms. Mullaghy who was assisted by Ms. Harte, Mrs. Ganley & Ms. O'Reilly, the girls covered large tracts of Northern Italy. They began by flying into Venice, where they then took a water taxi and received a guided tour of the main sites of interest. They also enjoyed a ride in a gondola. Next stop was the beautiful city of Verona, where the girls received a tour which included the town's amphitheatre and the famous Romeo & Juliet balcony! A half day was spent in the pretty town of Sirmione, with a high speed boat tour on Lake Garda, then back where the girls spent a few hours relaxing by a poolside! Further recreation

was provided at the famous Gardaland theme park. This was followed by a full day's sightseeing in the historical city of Florence.
