The Aim of the Parents' Association

The aim of the Parents' Association is to enable parents to play their part in ensuring provision of the best possible education for their children and that this is achieved through the Association's programme of activities. The Parents' Association will promote the interests of the students in co-operation with the Board of Management, Principal, teachers and students, in accordance with the provisions of the Education Act, 1998.

The Work of the Parents' Association

The Parents' Association will undertake a programme of activities which will promote the involvement of parents and which will support pupils, parents and school staff. In planning its activities, the Parents' Association will consult with the School Principal.

The Membership of the Parents' Association

All parents or guardians of children attending Eureka Secondary School will be deemed to be members of the Parents' Association.

The Committee of the Parents' Association

The members of the Parents' Association will elect a Committee. This Committee will have responsibility for representing the parents of Eureka Secondary School and managing the activities of the Parents' Association.

Subcommittees

Subcommittees can be set up for particular tasks. The subcommittees may also co-opt people to assist in their work. The subcommittees may not make decisions; they remain at all times accountable to the main Committee.

The Election of the Parents' Association Committee

The members of the Committee will be elected each year at the AGM of the Parents' Association. Each member will be elected for one year. At the AGM, all committee members step down, but they can be re-elected as long as they continue to be eligible to serve, that is as long as they continue to be a parent or guardian of a child in the school. Parents' representatives elected to the Board of Management are automatically members of the Committee. No member of the committee will hold the same officer position for more than three consecutive years.

The Work of the Committee of the Parents' Association

The Parents' Association committee will be responsible for ensuring that all parents are consulted on issues, which are pertinent to the entire parent body. The Parents' Association committee may advise the Principal and Board of Management on any matters relating to the school in accordance with the Education Act, 1998, 26.-(2)(a). The committee is the team that will manage the tasks of the association on behalf of the parent body (the members). The committee will draw up a plan for the activities of the association, in consultation with parents and in accordance with their wishes. The committee will be responsible for seeing that activities are run in an efficient and effective way. The committee will consult with the school Principal and Board of Management when planning the programme of activities for any particular year. The committee will arrange with the Principal and Board of Management a system for ongoing communication. At the annual general meeting (AGM) the committee will report to the parent body (the members) about its work. The committee will manage and account for any funds collected or expended by the Parents' Association.

Finance

The Parents' Association committee will finance the activities of the Parents' Association through fundraising. A Treasurer will be appointed from among the committee members and will be responsible for keeping account of the income and expenditure of the Parents' Association's finances. The Treasurer will give a statement of income and expenditure at each committee meeting. A written statement of income and expenditure will be given at the AGM and a copy will be forwarded to the Board of Management for their information. The Parents' Association will keep a bank account in its name. Each cheque issued requires two signatures. The Treasurer and at least one other assigned member of the committee must sign all cheques drawn on the account.

Fundraising for the School

Fundraising for the school by the Parents' Association will be done with the prior agreement of the Board of Management. The Parents' Association committee will agree with the Board of Management as to the specific purposes for which funds are to be raised by the Parents' Association.
